About Me

Final-year Bachelor of Information Technology in Business Systems student with practical experience in customer support, legal administration, and financial services. Passionate about web development, UI/UX design, and business systems, with hands-on experience in HTML, CSS, JavaScript, Java, Python, SQL, Git, and Figma. Eager to contribute technical skills, creativity, and problem-solving abilities in an internship or graduate IT role.

WORK EXPERIENCE

Dec 2022 – Dec 2023

De Lange Attorneys, CPT

Legal Administrator

- Managed legal documentation, case files, and administrative processes while ensuring accuracy and meeting important deadlines.
- Provided professional client support through email and telephone, maintaining confidential information with a high level of professionalism.

Feb 2024 – March 2026

Customer Support Administrator (Back Office)

Concentrix – Royal London (UK Campaign)

- Processed pension and insurance transfers while maintaining accurate customer records and ensuring data confidentiality.
- Provided efficient back-office support by resolving customer enquiries and collaborating with internal teams to deliver excellent service.
